

Desperados & Outlaws

(At the Crossroads)

Lyrics by Chris Cutter, Music/Arrangements Rob, September 2011

Verse 1

We are desperados, boy!
Proud 'n' free that's what we are.
We are outlaws of Rob Roy.
Brothers in America.

Chorus:

Your law can really matter!
But what is bad or better?

And if you are on your way.
And meet us the other day.
If you find out who we are.
Toss away your metal star!

But we do not bother men.
After worries there is peace.

Is our freedom doing well
Just to do what you may want.
Is it heaven, is it hell ?
Everyone is on the hunt.
