

Don't Look Back!

Lyrics by Chris Cutter, Music/Arrangements Rob, March 2011

Verse 1

My life shows tons of ups and downs
Your life struggle never stops
Crazy like a clown crazy like a fool
We keep it kinda cool

Verse 2

Some late night my spirit crashed
Never made up what I've seen
Cheated on me cheated on you
Hard ways we've been through

Chorus:

Don't look back – We are so glad
Don't look back – Cause you are so mad

Verse 3

Loony days, brainsick nights,
sheer googy years
Merry jokers, jolly heights
Laughing all the time, playin'
jokes for free
Past of you and me

Verse 4

But ...
Some wishes still remain in
broken hearts
You are not the one to blame
Living for today, living for the time
Destiny of mine

Chorus

Solo
